Conditions in India and China	3; 44; 78; 120	Balanced production of corn and hogs	66; 103
India's tariff policy	48	COTTON	
AUSTRIA		(See also General Business Conditions)	
The monetary reform and the new bank of issue	6; 20; 77	Supply and consumption	65; 82; 96; 103; 115; 125; 127; 143
The Austria loan	106	Final ginning reports 1922-23 crop	17
AUTOMOBILE INDUSTRY		Prices	103; 109; 127; 143; 178
Remarkable record of production	68; 82; 95; 126; 143	Cotton trade depression	116
Number of motor vehicles registered	102	Exports	127
BANKS		A short crop	144
Guaranty of deposits	60; 90	CREDIT	
Increase of loans and investments	70	Business follows a conservative policy	17
Branch Banks	163	Liquidation of frozen credits	35
BELGIUM		Credit resources in reserve	35; 160
Improved economic situation	7	Use of credit overdone	54
BOND MARKET		Gold importations and credit expansion	70
(See each month)		CZECHO-SLOVAKIA	
Review of conditions in 1922	25; 37; 107; 147	Evidences of stability	6
Industrial issues	25; 106	DAIRY FARMING	
Government loans	25; 106	(See also General Business Conditions)	
Foreign governments' issues	25; 38; 91; 106; 146	Dairying in the Northwest	117
Liberty bonds	38; 91	The National Dairy Show	117; 137
Municipal bonds	38; 91; 106	DEBTS	
Railroads and utilities	38; 91	National debts of the world, 1913 to 1923, with a table	154-155
BONUS LEGISLATION		DEFICITS	
Cost of a bonus measure	182-183	Survey of the principal government deficits of the world	62
BRITISH DEBT SETTLEMENT		EUROPE	
Terms of the agreement	20-21	Uncertainty of the European demand	1; 60; 113
Optional postponement of payments	36	Reparation as the crux of the situation	2; 134
Effects on the exchange	135	European indebtedness to the U. S.	5; 21-24; 133
BUILDING SITUATION		Difficulties arising from commodity payments	22
(See also General Business Conditions)		Disordered trade conditions in Central Europe	185-186
Building operations	67; 98; 110; 141; 177	General trend of economic development	5-8
Volume of building in 1923 above normal	97	EXCHANGES	
The Landis Award	100	Sterling exchange	7; 37; 40; 83
Situation in New York	100	International payments and their effect upon exchange	23; 135
BUSINESS CONDITIONS		Mark exchange	37
(See each month)		Dutch exchange	7
Prospects at the beginning of the year	8-9	French exchange	37
Recovery and the danger of inflation	33-34	Canadian exchange below parity	37
Making up the deficit in construction work	49; 97	FEDERAL RESERVE BANKS	
Conservative policy checks expansion	81; 109	Advance of discount rates	35
Stock market changes and the trend of business	93; 109	State banks and the Reserve System	55
The revival of 1922 and the crisis of 1920	97; 99	Reduction of investment holdings to meet commercial demands	70
Sustained industrial activity	93-100; 125; 141		
Construction work, the leading factor in the revival	96; 110		
Favorable and unfavorable influences	157		

	Page		Page
FLAX		ITALY	
Consumption and increased production	179	Trade situation	6
FOREIGN TRADE		JAPAN	
The U. S. diminishing export balance	83	Financial and industrial conditions	8
Foreign trade and exchange	37	Effects of the Japanese disaster	146
The U. S. international balance sheet	150-152	JUGO-SLAVIA	
FRANCE		Railroad building	6
Her attitude on reparations	3-4; 19	LABOR	
Franco-British relations	4; 132	Full employment in industry	333
Trade and government finances	7; 76	Competitive demand for labor	50; 68; 110
France and the inter-Allied debts	133; 135	Shortage of unskilled labor	68
GERMANY		Training schools for building trades	101
The question of reparations	2; 3; 20; 36; 76-77; 186	Exodus from the farms	116
Catastrophic drop in currency value	77	The twelve-hour day	118
U. S. trade with Germany	99	Wage increases versus decreases	143
Desperate financial condition	131-132	LATIN AMERICA	
English public opinion favors a new deal with Germany	4	Improved economic conditions	8; 44
GOLD		LIVE STOCK	
Effects of gold imports on foreign trade	51	Prevailing conditions	82; 144; 178
Seeking a gold base	61; 155	The process of recovery	34
GOVERNMENT MANAGEMENT		The Pacific International Live Stock Exhibition	47
The lesson of the railroads	89	METALS AND MINERALS	
Government in industry	119-120	Prevailing conditions	95; 142
GOVERNMENT FINANCES		MEXICO	
Annual report of the Secretary of the Treasury	9	Diplomatic relations restored	126
Refunding operations and prospective revenues	10; 83	MONEY	
Outlook for the Treasury	84	(See also general headings)	
GREAT BRITAIN		Fluctuations in the cost of money	38-39
Reduction of the domestic debt	7	Money market conditions	36; 82
Government income surplus over expenditure	76	NATIONAL BUREAU OF ECONOMIC RESEARCH

Industry and taxation	6; 43	OIL	
Agricultural depression	44	Prices in the oil industry	57
HIGHWAY CONSTRUCTION		The new fields in Southern California	95
Projects and expenditures	17; 101-102	Increased supplies and price reduction	136-137; 146
HOLLAND		PAPER MONEY	
Trade and exchange	7	Increase in world paper circulation, 1914-1923, with a table	60-63
INCOME		POLAND	
Statistics of personal incomes for 1920	46	Agricultural improvement	6
INDUSTRY		PRICE-FIXING	
(See also General Business Conditions)		Defeats its purpose	55-58
High level of industrial costs	9	Price-fixing based on costs	130
Unbalanced conditions in industry	34; 105; 158	An experiment in Argentina	183-185
Industrial capacity and labor supply	49	PRICES	
Value of industrial stability	69	Government price statistics	34
Ford's industrial policies	86-90	Disadvantages of price advances	35
Time studies in industry	89	Psychology of price fluctuations	49
Fire losses and bad times	119	Retail prices lag behind production costs	50
Post-war census of manufactures	123	Production and prices	93
Increased output	142	Decline in commodity prices	96
INFLATION AND DEFLATION		PROFITS	
The danger of inflation	33	Studies of the Harvard Bureau of Business Research	74; 118
Deflation in the U. S.	39	Meat packing profits	75
Checking inflation at its beginning	51	Spread between producers' and consumers' prices	118
World currency inflation and deflation	61	The law of profits	130
INTEREST RATES		RAILROADS	
Fluctuating movement of rates	39	Record car-loadings	93; 142; 177
Current rates	36; 82	Railroad expenditure	67; 82
INTERNATIONAL POLITICAL SITUATION		The equipment industries	94
The world outlook at the beginning of 1923	1	Railroad building	67
The Paris Conference of Allied Premiers	2	Traffic	
Franco-British disagreement on reparations	18-20; 132	(See General Business Conditions)	
IRON AND STEEL			
(See also General Business Conditions)			
Record production	94		
Steel reaches highest production rate	142		

	Page		Page
REPARATION QUESTION		TAXATION	
Effects on the European situation	1-5	Effects of excessive income taxes	10
Political aspects of the problem	4	Tax-exempt securities	11
Position of the U. S.	4-5; 172	Corporation surplus and stock dividends	11-14
Difficulties attending upon international payments	5; 22; 135	Taxation of business	45
The British proposal for an adjustment	18	Secretary Mellon's plan of tax revision	179-183
The French proposal	19	TEXTILES	
The Ruhr occupation	20; 36; 76; 98; 132; 172	(See also General Business Conditions)	
Franco-British correspondence	132-133	Prevailing conditions	8; 96; 125; 143
Proposed financial conference and the attitude of the U. S.	172-174	Upward tendency of prices	17; 125
Study by the Institute of Economics	186-187	TARIFF LEGISLATION	
RUMANIA		British comments on the Fordney Act	42
Government regulation	186	TRADE	
RUSSIA		Improvement of trade	67
The Soviet Government's new economic policy	8	International trade of the world from 1912 to 1922, with a table	78-79
Grain exports	113; 179	World trade conditions	148-150
